

Forum Side Table Cream Marble

COLORS: Beige

OVERVIEW

Gillian Segal for Moe's

The Forum side table is where ancient grandeur meets modern simplicity. Inspired by the profound architectural beauty encountered in Rome, this table pays homage to the iconic columns that line the ancient city, reimagined into a sleek, rectilinear form. Crafted from marble, it captures the essence of Roman majesty while seamlessly fitting into contemporary spaces, a testament to timeless design with a modern twist.

- Constructed of Italian Cosmos marble
- Carved arches on each side of base
- Matte finish
- Please note that due to the natural variances in marble, each table will vary in tone & vein markings
- No assembly required
